

Our Environmental Policy is to be a responsible corporate citizen in protecting the environment. We are committed to complying with accepted environmental practices, including the commitment to meet or exceed applicable legal and other requirements, to strive for continual improvement in our environmental management system, and to minimize the creation of wastes and pollution. Our Environmental Policy provides the framework for setting and reviewing environmental objectives and targets. Qosina Corp. pledges to document, implement and operate the ISO-14001 Environmental Management System to further enhance environmental performance. Our main objectives and commitments are to:

- **Reduce, reuse and recycle waste and packaging**
- **Improve the efficiency in the use of energy**

This policy will be communicated to all parties interested in the performance of our environmental management system, including the public (upon request).
